New characters and need one more actor

New Characters

I added **Sam Brennan**, a very influential and wealthy man who had a dry goods store at Sutter's Fort and **much more**.

Mee Lien attaché to China for Sam Brennan.

These two characters will interact with William — in 1859 — in the beginning of the scene just before Rattlesnake Dick and his outlaws interact with him and immediately following will be Victoria Marie, Sarah Wimmer, and Zeke.

Need one more actor (outlaw)

The role of George Skinner is empty — the actor to play him is unable to do so at this time — so I am asking of anyone knows of someone who could fit the part THAT is coming up for the wrap party on the 31st of July already?

I am asking the outlaws and miners first, as they will be up at the early time to film, but if anyone else knows of someone that does not mind coming up sooner — and be there all day — then let me know, send them my info and send me their bio and head shot.

I have an out — if we are unsuccessful — so it is not priority, but it does depend on One of the bandits moving from his current role to that one and I add in a person to play the role he was playing.

Locations, dates, and equipment

Locations are almost finalized

Been driving around to new places, asking everyone else I know, beyond the one's that had promised but decided they were not able to let me use the property due to being out of town at the dates of lensing, and have made some headway.
