We have locations for first two days

Just confirmed 2 locations — both will cover 5 scenes

North Star Mine

NO, it's not North Star Ski Resort, it's the North Star Mine, located at ([click for directions](#)) North Star Mine House 12075 Old Auburn Road, Grass Valley, California 95945 — the area is rich in gold mining history that was simultaneously happening at the same time Sacramento's gold rush was happening — they both are symbiotic twins.

SCENES: 7B-d, 11VO (not a scene just voice over dialog), 13, 14, 15, and 17.

DAYS: June 19 and July 17.

TIME: 12:30 pm.

WHAT WE WILL HAVE: Snacks, drinks, and more.

WHAT TO BRING: camping chair if you have one, clothing, props, and yourself, as well as, your signed forms.

We have a room.

Not what I was looking for but seeing that it is Father's day weekend — real movies know no holidays — I did not want to burden anyone other than my in laws. [Click for the directions, but there will be signs.](#)

SCENES: 2, 4, 6, 11, and 16.

DAYS: June 19 and July 17.

TIME: 12:30 pm.

WHAT WE WILL HAVE: Snacks, drinks, and more.

WHAT TO BRING: camping chair if you have one, clothing, props, and yourself, as well as, your signed forms.

It will be ready and with camera angles and lighting, it will look great — really wanted a wooden floor empty room echo to the scene, but you can't always get what you want... Hmmm. Sounds like a lyric. I could write a song about that... Nah. Never sell.

Location Summary

The first two days of lensing have locations and really good locations: off the beaten path, no traffic to bother us, private property, and part of the gold rush to boot.

CREW: DATES and CONFIRMS

WE ARE LENSING ON JUNE 19, JULY 17, 24, and 31

Please respond with the dates you can and cannot be there.

– PEACE and God Bless
