The Official Cast & Crew Newsletter for "THE GOLDEN TREE"

**Saturday, July 17th**

### Are we ready for this?

I am — I think. We have the camera ready, the location, the script sent out, the directions, the actors, they have their wardrobe, we have an easy up, we have the munchies, water, we have — yeah, there is allot to get put together for a movie, at least one on this scale — at least for me and the crew it is a big deal trying to make it easy for you actors to do your job.

For any and all interested parties — I know there were some — that want to come and watch the production of the movie here are the details: *[but be advised, you show up, you may get put to work]* **MAYBE YOU CAN EMAIL ME IF YOU ARE PLANNING TO SHOW UP SO I KNOW HOW MANY TO EXPECT.**

#### LOCATION: [CLICK HERE FOR DIRECTIONS:](#)

*if coming between 12 and 1 follow signs to Farmer's Market, that is where it will be, farmer's market closes at 12 and we have the property all to ourselves.*

**TIME: 12:30 - 5 or ending sooner**

**BRING: A chair to sit in — not that you will be sitting [bwaaahahahaha], if anyone has an extra easy-up type shade...**

**ALSO BRING: Professional attitude, respect, and courtesy.**

### Added more people receiving this newsletter

Some may ignore it others may trash it, and then some might tell me to stop, but either way, I wanted to inform all my friendly contacts — and those I like — that this production is in progress; some might wish me well, others might boo and hiss (I heard that), and some may send us some extra bits of money to help us keep you fed and happy.

To those receiving this as their first one, welcome to the team, crew, or party: this is the newsletter that informs everyone involved what is going on with the production, and as you see, this is the 12th issue.
