### **NEW CAST and CREW MEMBERS**

**Yeah, yeah, I forgot to mention this before.**

**Danny Gray**

Danny Gray is the composer for the movie and if you have watched the teaser on facebook, that is his music — yes, we know, it is very nice, the reason he is on board to make this a complete production.

Welcome aboard Danny. This is going to be great.

Also, this story has several layers to it and two composers give the same feeling with textures and nuances that will play well with each section.

**Scott Slotterbeck**

Scott Slotterbeck came up as one of our still photographers and a videographer. His presence was welcomed in documenting each day's event.
